UNIVERSITY OF TORONTO

PREFACE.

I WISH to thank Professor H. Marshall Ward for his help in connexion with no. 3171; Mr A. W. Pollard and Mr R. Proctor again for aid whenever appealed to; Mr Aldis Wright, not only for the note upon page 953 but for constant suggestions and details; and Mr H. F. Moule for the note upon no. 5716.

The Librarian has recently presented sixty-three volumes, all printed in Cambridge, which have been collected by himself during the last twenty years. The Registrary has given all such volumes from his collection, printed in or relating to Cambridge, as were needed by the Library. The Collection of University Act Verses, hitherto preserved in the Registry, has been transferred to the Library, opportunely for the present volume.

C. E. S.
